**POLICY STATEMENT:**

All employees of the Township of South Algonquin will adhere to the Code of Conduct Policy to ensure that there is no conflict between their personal interests and official duties. **BACKGROUND:**

The Township has implemented this Code of Conduct Policy in order to both promote professionalism and to ensure that the relationship of trust that exists between staff, Council and the public remains an integral part of local government in the Township. Since its inception, local government has been understood to be an open, accessible and accountable form of government. The purpose of this Policy is to document and formalize standards of ethical conduct as they apply to municipal employees. The proper operation of a municipal government requires that employees be independent, impartial, and responsible to the citizens; that their positions not be used for personal gain and that the public have confidence in the integrity of municipal employees.

**METHOD OF UPDATING THIS POLICY:**

As new issues arise, the Code will be reviewed and modified according to current situations. Any comments or suggested revisions should be directed to the Administration Committee through the Township Clerk's Office.

This Code of Conduct applies to all employees of the Township.

Each employee is responsible for understanding and complying with this Code, and should seek clarification from their immediate supervisor, or the Township Clerk, on any segment they do not understand.

It is in this spirit that the Code is implemented.
