

Media Release for Immediate Release

On behalf of the Council of the Township of South Algonquin I would like to thank everyone for expressing interest in filling the vacancy on Council in Dickens Ward.

We had a number of excellent candidates and are extremely pleased that so many were interested in serving the community on our Municipal Council.

After much discussion and debate Council determined that they would appoint William Rodnick.

Mr. Rodnick has spent 8 years on the local municipal council and decided prior to the last election that due to work commitments at that time to step away from the table.

We hope you will join us in welcoming Mr. Rodnick back as your Dickens Ward representative on municipal council.

Jane A.E. Dumas
Mayor
