Notice to Residents

- Please place household waste at the roadside on the scheduled day of collection. This will help deter birds and animals. The time of your roadside pick-up could be anytime between 7:00 am to 3:00 pm on your scheduled day.
- Residents are required to place household waste in garbage bags. Approved removable containers are permitted providing the household waste is in garbage bags (*freezers or permanent containers are not acceptable*).

- Residents, who store household waste in private bins or boxes will be required to remove the waste from these bins on the day of collection, put the waste in garbage bags and place them at the side of the nearest Township maintained road or public highway. Private bins must be located on private property outside of the obvious road allowance.

TRANSPORTING WASTE
