

Public Service Announcement:

Ontario Parks has received clearance from an engineer that the Major Lake Road Bridge is **safe for passenger vehicles only**. Load restrictions in effect. Details on load capacity will be available soon.

MNRF has closed the ATV trail (former railway bed) at Rapid Lake in Whitney due to a washout. Barricades have been placed at both ends of the washout.

Update on local road closures;

- Madawaska Street closed at the junction from Algonquin Street to the end.
- Bennett Road closed.
