

The Township is implementing a set out limit for garbage bags at the curb as of January 1st. Drivers will only pick up 2 bags per residential property and commercial businesses who are not using the bin collection system, unless they have Township tags on them. Anyone who takes their waste to the landfill site is not subject to this limit and will not be required to put tags on additional bags.

Bag tags can now be purchased for \$2.00 each at the following locations:

- Township Office - 7 Third Ave, Whitney
- The Algonquin Lunch Bar - 29553 Highway 60, Whitney
- Madawaska Country Store - 25203 Highway 60, Madawaska
- Lake St Peter Building and Supply - 2717 Highway 127, Lake St Peter

Should more bag tag purchase locations become available, we will share updates on our Facebook page.

Bag Tag Placement

Please ensure the bag tag is securely attached to the neck of the garbage bag, where it can be easily seen by collection staff. Bags without a properly placed bag tag may not be collected.
