

September 29, 2025

Public Service Announcement

Due to the Canada Post Strike, all letter mail, parcels and packages are not being delivered.

The Township encourages its residents to register for its online services portal at <https://eservices.southalgonquin.ca/>, which you received a link to in your July tax bills. Should you require further assistance please feel free to contact the municipal office.

Payments can be made online in your portal in real time or can be made as a bill payee at your banking institution or online.

Payments can also be made at the Township office, by cash, cheque, debit or credit.

Overdue accounts will continue to accrue interest, and balances will continue to be due on the due date. Please note the final instalment for 2025 is due on October 31, 2025.

Regards,

Bryan Martin, CMMIII
CAO/Clerk Treasurer
Township of South Algonquin
